

Kids Country - Be Inspired to Write!

Write a Short Poem or Story

Writing poems and short stories can seem daunting at first, but once inspiration flows, it's hard to stop.

Here are some suggestions to help you to write a short poem or story

- Inspire yourself by thinking about something you enjoy (football/gardening/pets)
- Carry the inspiration until something sparks
- Try to tell a story or describe a moment in a few lines
- Choose a poetry form that is short
- Select and experiment with words
- Talk it through with an adult
- Read and write down what comes to mind
- Write a list of rhyming words
- Look at famous poems and poets for inspiration - www.roalddahlfans.com/dahls-work/poems/
- Add pictures to help tell your story

Something short and simple to start with :

The Honey bee

Is a lovely bee

It is gold and black

With a very hairy back
